13th Samba cup , Eurotour, World cup ,
international competition model gliders category F5J

PROPOSITION

Organizer: LMK Litomyšl together with the municipality of Sebranice

Date: 24 – 26. May 2024 **Attention, competition start on FRIDAY !!!!!!!**

Category: F5J - Seniors , women, seniors 65+, juniors

Location: Horní Újezd - Cikov near Litomyšl

GPS 49.7995556N, 16.2204794E

Participation condition: Valid FAI license for 2024

Rules: according to the FAI Sporting Code 2024– F5J the exception for safety reasons, the pilot will not be entitled to a reflight after the crash of the models. (with exception, see below)

Justification: For increasing safety of people in the huge area for camping, depo and also some houses in village. Reason is to decrease possibilities of injury by falling plane after crash. Pilot will have no reflight. Exception is first 40 second after start of working time. If something happens in 40 sec all group will be neutralised by starter or line mannager. So it is not "automatic"

Pilots will hopefully be more careful. This rules in F3J decreased number of mid air crashes to minimum in history

If we establish a no fly zone above camping, depo and village it is nearly impossible to fairly judge who is in and who is not. And also it is very bad for competition.
